IV. Willie Pappas Memorial Scholarship Fund  
This fund is no longer in use as of spring 2011 all of Mr. Pappas’s children have graduated. Willie Pappas, Director of Financial Aid at Delgado Community College, was shot to death November, 1987 by an angry student during a financial aid dispute. Spurred by this tragic loss, LASFAA established a scholarship fund to insure that Willie Pappas’ two children would have the opportunity to attend college. At the time of their father’s death, Monique was twelve years old and Willie III was not yet born.

To support this scholarship fund, LASFAA initially transferred $1,000 from its treasury into the Willie Pappas Memorial Scholarship Fund. The association also accepted donations. The membership voted to add $300 annually to the fund. Currently (2005-06), the scholarship award is valued at the books and supplies allowance as published by LASFAA.

To receive his/her scholarship, the student must:

A.1. Submit verification of at least half-time enrollment from his/her school’s Registrar's Office.

A.2. Maintain satisfactory academic progress according to the school’s standards.

A.3. At the end of each semester, forward a copy of his/her grade transcript to the chairperson of the Scholarship Committee (Immediate Past President).

The scholarship will cover only undergraduate attendance and will be for a maximum of five (5) years for a program length normally taking four (4) years to complete, and a maximum of six (6) years for a program normally taking five (5) years to complete. In the event there are funds in the account once both children have received their maximum awards, those funds shall be awarded to needy students, as defined by LASFAA at that time.

Reference should always be made to meeting minutes and committee reports for adjustments/changes to this scholarship fund.

The Willie Pappas Memorial Scholarship Fund was discussed during a LASFAA Board Meeting, regarding the continued funding of this Scholarship. It was determined and agreed that due to the college educational completion status of the two recipients, it will not be necessary to put any additional funds into this scholarship program. We presently have sufficient funds to cover the remaining semester(s) for youngest child, Willie Pappas III, who is scheduled to graduate May, 2011.

Because of her dedication and service to students, in 2010, the LASFAA High School Scholarship was renamed the LASFAA Mildred D Higgins High School Scholarship.

The LASFAA community is very thankful to Ms. Higgins for her unending service to students and the lessons she has taught us all.

H.6. Donated Funds (other than conference related)
LASFAA POLICY: USE OF FUNDS DONATED TO LASFAA

Background: In Fall of 2005, several financial aid administration associations and related agencies donated funds to LASFAA after two major hurricanes devastation throughout the state of Louisiana. The devastation prompted the Louisiana Governor to issue an Executive Order which prohibited public institutions from spending money on travel and hiring. Each event left the state, colleges/universities, and association financially impaired, thus creating financial hardships for member institutions and prevented LASFAA from providing training to its members. The travel restrictions prevented LASFAA members with commitments to SWASFAA from traveling to the 2005 SWASFAA Board of Directors meeting and 2005 Fall Conference, thereby, prohibiting them from fulfilling those commitments. In keeping with the intent of the donors and the mission of LASFAA, the officers agreed to use these and future funds in a manner which would assistance LASFAA members with expenses related to training and professional development. By providing financial assistance in this area during a time when the majority of Louisiana universities, colleges, and schools are suffering financially will ensure that members of the financial aid community will continue to benefit in the areas of training and professional development. The 2004-05 LASFAA Executive Board developed and adopted the following policy regarding use of those funds.

1. Funds donated to LASFAA for purposes other than support of regular conferences, workshops, and other services normally offered by LASFAA to its memberships shall be used to provide financial assistance to LASFAA members with expenses related to training and professional development that are not paid by the members home institution, SWASFAA, or NASFAA.
   a.a. All applications for assistance must be approved by the Executive Board of Directors.  
   a.b. These expenses shall include travel, lodging, meals not offered by the conference or workshop, and conference related expenses that are considered reimbursable by the home institution  
   a.c. LASFAA members serving in these positions shall be eligible for financial assistance when their home institutions is unable to pay their expense:  
      a.c.1. Members of the current LASFAA, SWASFAA, or NASFAA Board of Directors who expenses are not normally paid by LASFAA, SWASFAA, or NASFAA.  
      a.c.2. Conference program presenters  
      a.c.3. SWASFAA Boot camp instructors or committee members  
      a.c.4. Others approved by the Executive Board of Directors

2. Provide a scholarship for LASFAA members to attend New Aid Officers workshops (Boot-camp) at SWASFAA or LASFAA.  
   a. A scholarship shall be awarded to a representative from each school system, if funds are available.  
   b. The amount of the scholarship will be based on the availability of funds, but can include these expenses: registration, lodging, non-workshop meals, and travel.  
   c. The scholarship recipients will be selected by the Executive Board of Directors

H.7. NSF checks
   H.7.a. Any NSF check that is returned to the LASFAA Treasurer will be charged to the person or institution who wrote the check. Charges will include any bank penalties assessed.

H.8. Credit Balances
   H.8.a. Any credit balances will be returned to the payer regardless of amount.
I. Credit Card Policy Statements - a credit card usage letter of understanding coming soon.

I.1. LASFAA will adopt the use of a credit card, rather than debit card to conduct LASFAA related business.

I.2. The cards will be made available for the following members of the association on a yearly basis. The card must be renewed annually.
   I.2.a. President
   I.2.b. First Vice President/President-Elect
   I.2.c. Treasurer

I.3. The current credit card limit is $8000 per term for all parties. A $2000 limit per officer is recommended. No cash advances will be permitted by the cardholder.

I.4. Credit card expenditures will be reported by submitting a reimbursement form to the Treasurer with original signatures and original receipts within 10 days of the charge unless the charge was in conjunction with a meeting/conference. In that case, the reimbursement form with original signatures and original receipts should be submitted to the Treasurer within 10 business days of returning from the meeting/conference. The reimbursement form should be signed by the officer, and sent to the President for their signature of approval prior to submitting to the Treasurer.

I.5. The association will obtain a credit card with a lender with state and/or national presence.

I.6. The effective date of implementation will be the 2006-07 year at the Board transition.

I.7. The First Vice President/President-elect will be added to the signature card by January 1 with the change in administration during the transition period.

I.8. The out-going officers will return the card to the current President at the last business meeting in the fiscal year.

I.9. Should a change in administration occur before the last business meeting, it shall be the responsibility of the Treasurer or President to de-activate the card within 30 days for the out-going member(s).

J. Reserve Fund Policy

J.1. Purpose

The Reserve Fund has been established as capital reserve for the association to be set aside for contingencies.

J.2. Fund Levels

The level of funds to be maintained in the Reserve Fund shall be equal to or greater than 10% of the current year annual operating budget on the expense side. The Reserve Fund shall be subject to annual review by the Finance Committee and by the Executive Board. Any change in the amount of the fund shall require a majority vote of the Board of Directors.

J.3. Use of the Reserve Fund

The intent of the Reserve Fund is to have the funds available to meet unusual income shortfalls. Any withdrawal from the fund is to be defined as a capital liquidation and
therefore should be considered an extreme measure. Withdrawals from this fund require a majority vote of the Board of Directors.

J.4. The Reserve Fund shall be so identified and maintained in a separate financial investment policy. A separate report format shall be part of any Treasurer’s report detailing the balance of the fund and interest earned. Any adjustments required to maintain the 10% reserve requirement shall be made at least annually.

J.5. Interest from the fund is to remain with the account until the fund is adequate. At that time, the interest will be available as ordinary income to meet association expenses.

K. SWASFAA Delegate-At-Large Nominations

K.1. LASFAA members will nominate a slate of candidates every two years to be sent to SWASFAA for selection of the Louisiana Delegate-at-Large to serve on the SWASFAA Board.

K.2. Nominees must be active SWASFAA members.

K.3. When nominating delegates for the position of Delegate-at-Large, LASFAA strongly encourages that the nominee has served as an active member of LASFAA for at least three (3) years and also as a member of the Board of Directors for at least one (1) year, thus providing a broad spectrum of the state’s interests and concerns.

K.4. The SWASFAA Delegate-At-Large will represent SWASFAA at LASFAA’s Spring and Fall Conference Board Meetings.

L. Web/ListServ Dissemination Policy

The information that is being disseminated through our LASFAA website including directory e-mails and listserv is directly related to Association business and should not promote the interest of an agency or an institution. Our current contract is with ATAC Corporation whom we pay an annual maintenance fee.

The LASFAA listserv discussion group has been established as a communication tool to allow for the timely exchange of information and problem resolution by LASFAA members.

Topics of discussion might include: automation within the professional community, the use of professional judgment, interpretation and impact of federal regulations, and institutional policies and procedures. The posting of aid-related position vacancies is also permitted. Most topics associated with professional administration are fair game for discussion.

Certain discussion items are NOT appropriate for this discussion list. These include non-administrative related discussions and inappropriate private (personal) business matters. All marketing and advertising for individual businesses is prohibited. Questions regarding the use of this listserv should be directed to the Technology Chair with any further review to the Executive Board. Penalty for misuse of this service is at the discretion of the Technology Chair and the Executive Board.

Parents and students would best be served by directly contacting the administrators at the institution of their choice.

M. Record Maintenance Policy
M.1. LASFAA will maintain a Post Office Box which can be used for all LASFAA business. The Treasurer and Executive Secretary will be responsible for checking the box. The mailbox will be established where the treasurer’s residency is established.

M.2. The Treasurer will be allowed to rent a storage place for all previous financial records. The storage facility will be established where the treasurer’s residency is established.

APPENDIX VI
Conflict of Interest Policy

Article I
Purpose
The purpose of the conflict of interest policy is to protect this tax-exempt organization, Louisiana Association of Financial Aid Administrators, interest when it is contemplating entering into a transaction or arrangement that might benefit the private interest of an officer of the Organization or might result in a possible excess benefit transaction. This policy is intended to supplement but not replace any applicable state and federal laws governing conflict of interest applicable to nonprofit and charitable organizations.

Article II
Definitions

1. Interested Person
Any officer or delegate with governing board delegated powers, which has a direct or indirect financial interest, as defined below, is an interested person.

2. Financial Interest
A person has a financial interest if the person has, directly or indirectly, through business, investment, or family:
   a. An ownership or investment interest in any entity with which the Organization has a transaction or arrangement.
   b. A compensation arrangement with the Organization or with any entity or individual with which the Organization has a transaction or arrangement.
   c. A potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which the Organization is negotiating a transaction or arrangement.

Compensation includes direct and indirect remuneration as well as gifts or favors that are not insubstantial.

A financial interest is not necessarily a conflict of interest. Under Article III, Section 2, a person who has a financial interest may have a conflict of interest only if the appropriate governing board or committee decides that a conflict of interest exists.

Article III
Procedures

1. Duty to Disclose
In connection with any actual or possible conflict of interest, an interested person must disclose the existence of the financial interest and be given the opportunity to disclose all material facts to the officers and delegates with governing board delegated powers considering the proposed transaction or arrangement.

2. Determining Whether a Conflict of Interest Exists
3. Procedures of Addressing the Conflict of Interest
   a. An interested person may make a presentation at the governing board meeting, but after the presentation, he/she shall leave the meeting during the discussion of, and the vote on, the transaction or arrangement involving the possible conflict of interest.
   b. The chairperson of the governing board or committee shall, if appropriate, appoint a disinterested person or committee to investigate alternatives to the proposed transaction or arrangement.
   c. After exercising due diligence, the governing board or committee shall determine whether the Organization can obtain with reasonable efforts a more advantageous transaction or arrangement from a person or entity that would not give rise to a conflict of interest.
   d. If a more advantageous transaction or arrangement is not reasonably possible under circumstances not producing a conflict of interest, the governing board or committee shall determine by a majority vote of the disinterested officer whether the transaction or arrangement is in the Organization’s best interest, for its own benefit, and whether it is fair and reasonable. In conformity with the above determination it shall make its decision as to whether to enter into the transaction or arrangement.

4. Violations of the Conflicts of Interest Policy
   a. If the governing board or committee has reasonable cause to believe a member has failed to disclose actual or possible conflicts or interest, it shall inform the member of the basis for such belief and afford the member an opportunity to explain the alleged failure to disclose.
   b. If, after hearing the member’s response and after making further investigation as warranted by the circumstances, the governing board or committee determines the member has failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action.

Article IV
Records of Proceedings
The minutes of the governing board and all committees with board delegated powers shall contain:
   a. The names of the persons who disclosed or otherwise were found to have an financial interest in connection with an actual or possible conflict of interest, the nature of the financial interest, any action taken to determine whether a conflict of interest was present, and the governing board’s or committee’s decision as to whether a conflict of interest in fact existed.
   b. The names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, including any alternatives to the proposed transaction or arrangement, and a record of any votes taken in connection with proceedings.

Article V
Compensation
   a. A voting member of the governing board who receives compensation, directly or indirectly, from the Organization for services is precluded from voting on matters pertaining to that member’s compensation.
   b. A voting member of any committee whose jurisdiction includes compensation matters and who receives compensation, directly or indirectly, from the Organization for services is precluded from voting on matters pertaining to that member’s compensation.
   c. No voting member of the governing board or any committee whose jurisdiction includes compensation matters and who receives compensation, directly or indirectly, from the Organization, either individually or collectively, is prohibited from providing information to any committee regarding compensation.
Each officer and delegate shall annually sign a statement which affirms such person:
   a. Has received a copy of the conflicts of interest policy,
   b. Has read and understands the policy,
   c. Has agreed to comply with the policy, and
   d. Understands the Organization is charitable and in order to maintain its federal tax exemption it must engage primarily in activities which accomplish one or more of its tax-exempt purposes.

**Article VII**
**Periodic Reviews**

To ensure the Organization operates in a manner consistent with charitable purposes and does not engage in activities that could jeopardize its tax-exempt status, periodic reviews shall be conducted. The periodic reviews shall, at a minimum, include the following subjects:
   a. Whether compensation arrangements and benefits are reasonable, based on competent survey information and the result of arm’s length bargaining.
   b. Whether partnerships, joint ventures, and arrangements with management organizations conform to the Organization’s written policies, are properly recorded, reflect reasonable investment or payments for goods and services, further charitable purposes and do not result in inurement, impermissible private benefit or in an excess benefit transaction.

**Article VIII**
**Use of Outside Experts**

When conducting the periodic reviews as provided for in Article VII, the Organization may, but need not, use outside advisors. If outside experts are used, their use shall not relieve the governing board of its responsibility for ensuring periodic reviews are conducted.

HELPFUL HINTS WHEN MAKING MOTIONS

I. To Adjourn/To Recess: A motion to adjourn is used when the agenda items have normally been completed; usually signals the end of an entire meeting. A motion to recess is used during the course of a meeting and usually includes a time for the meeting to reconvene. The motion would be used at the close of the first day of a two-day meeting.

II. Question of Privilege: Seldom used, but a member may seek the floor by indicating, “Mr./Madam President, I rise to a question of privilege.”; at which time the Chair would ask the member to state his/her question. The privilege could be simply to ask a speaker to rise when speaking or to request speakers to speak louder. This motion could also be used to ask visitors to leave the room until a particular item of business is concluded. The Chair usually rules on granting of a privilege.

III. Rise To A Point of Order: A Point of Order is also referred to as rising for a parliamentary inquiry and/or rising for information.

A. Point of Order

Member: (Speaking, but not waiting to be recognized.) “Mr./Madam President, I rise to a point of order.”

President: “State your point of order.”

Member: “The motion just proposed is out of order because there is already a main motion before the council.”

President: “Your point is well taken. The motion last proposed is out of order.” OR “Your point is not well taken.”

B. Rising to a Parliamentary Inquiry: If the Chair cannot answer the inquiry, the Chair may refer it to the parliamentarian or to some member of the assembly. A parliamentary inquiry may not lead to debate, nor to an appeal.

Member: “Mr./Madam President, I rise to a parliamentary inquiry.”

President: “State your inquiry.”

Member: “Is it in order to offer an amendment now?”

President: “It is.”

C. Rising for Information: All requests for information are addressed to the Chair even through aimed at another member. All answers to questions are addressed to the Chair. A member rising too often should not be given recognition by the Chair.

Member: “Mr./Madam President, I rise for information,” or “I should like to ask the member a question.”

IV. Appeal: A member who believes the decision of the Chair may be in error may request an appeal. An appeal should be handled in this way:

Member: “Mr./Madam President, I appeal from the decision of the Chair.”

President: “There is an appeal from the decision of the Chair. (If debatable, Is there any discussion?) Those in favor of sustaining the decision of the Chair say ‘Aye’. (Pause) Those opposed to sustaining the decision of the Chair say ‘No’.”
POLICIES AND PROCEDURES MANUAL
Louisiana Association of Student Financial Aid Administrators, Incorporated

V. To Suspend the Rules: Used when the normal procedures of the Association prevent the speedy resolution of an issue, suspending the rules may be needed. This motion may not overturn a provision of the By-Laws or Constitution. Motion is reserved for special occasions and should not be used unless there is a compelling reason to expedite an item of business.

VI. To Withdraw (or Renew) a Motion: To withdraw a motion is made by the mover and stops all further consideration of that item of business.

Member: (who made the original motion) "Mr./Madam President" (Pause for recognition) "I desire to withdraw my motion."

President: “Mr./Ms. X asks to withdraw his/her motion. If there is no objection, the motion will be withdrawn.

If any member objects to the withdrawal, some other member should rise, be recognized, and move.

Other Member: “Mr./Madam President” (Pause for recognition) "I move that Mr./Ms. X be allowed to withdraw his/her motion."

President: “It is moved that Mr./Ms. X be allowed to withdraw his/her motion. Those in favor say 'Aye'. (Pause) Those opposed say 'No'."

VII. Voting — “Division” — Motion to Ballot: When a vote may be too close for either the Chair or a member to determine the outcome, a “division” may be requested. A division is requested like this:

Member: "Mr./Madam President, I call for a division!” or, without being recognized the member may simply call out “DIVISION!”

President: “A division is called for. Those in favor of the motion please raise their right hand (After counting). Those opposed same sign.” If the president is in doubt as to an ‘Aye’ and ‘No’ vote, he/she should say, “The Chair is in doubt. Those in favor of this motion please raise their right hand.”

A motion to ballot may be ordered by a motion to that effect, provided it is not already required by the Constitution or By-Laws.

Member: “Mr./Madam President” (Pause for recognition) “I move that the vote on this question be by ballot.”

President: “It is moved and seconded that the vote on this question be by ballot. Those in favor of voting by ballot say ‘Aye’. (Pause) Those opposed to voting by ballot say ‘No’.”

VIII. To Lay On The Table (Take from Table): To table means to postpone further discussion or a vote. To take from the table is to take up an item of business which has been postponed.

A. To Table:

Member: “Mr./Madam President” (Pause for recognition) “I move that we table the main motion.”

President: “It is moved and seconded that we table the biotin (state the motion). Those in favor of the motion to table say ‘Aye’. (Pause) Those opposed say ‘No’.”

B. To Take From the Table:

Member: “Mr./Madam President” (Pause for recognition) “I move that we take from the table the motion to (state the motion that was tabled).”
POLICIES AND PROCEDURES MANUAL
Louisiana Association of Student Financial Aid Administrators, Incorporated

President: “It is moved and seconded that we take from the table the motion to (state motion that was tabled). Those in favor of taking this motion from the table say ‘Aye’. (Pause) Those opposed say ‘No’.”

Aye Vote: “The ‘Ayes’ have it, and the motion to take from the table is carried. You now have before you the motion to (state motion taken from the table). Is there any discussion on this motion?”

No Vote: “The ‘Noes’ have it and the motion to take from the table is lost. Is there any other business?”

IX. Close Debate (I Move the Previous Question): When members of the assembly call out informally, “Question! Question!” it means only that they as individuals are ready to vote on the pending question or motion. It is their informal answer to the president’s query, “Are you ready for the question?” This informal “call for the question” by members of the assembly must be clearly differentiated from the formal motion “to close debate and vote immediately on the pending question,” or (what is exactly the same thing) the formal “I move the Previous Question.”

A. Close Debate:

Member: “Mr./Madam President” (Pause for recognition) “I move that we close debate and vote immediately on the pending question.” (Note: - If there are several motions pending a member may “move to close debate and vote immediately on all pending questions”).

President: “It is moved and seconded that we close debate and vote immediately on the pending question. Those in favor of closing debate say ‘Aye’. (Pause) Those opposed say ‘No’.”

Aye vote: “The ‘Ayes’ have it by a two-thirds vote, and the motion to close debate is carried. The next business is the vote on the (original motion or amendment or whatever it is), which reads that we (read the immediately pending motion). Those in favor of the (original motion, amendment, or whatever it is) say ‘Aye’. Those opposed say ‘No’.”

No vote: “The ‘Noes’ have it by more than a one-third vote and the motion to close debate is lost. Is there any further discussion on the (original motion, amendment or whatever is immediately pending)?”

B. Limit Debate:

Member: “Mr./Madam President” (Pause for recognition) “I move that debate be limited (to twenty minutes or to five minutes for each speaker or to three speakers on each side) or (that debate close at ten o’clock).”

President: “It is moved and seconded that debate be limited to (twenty minutes). Those in favor say ‘Aye’. (Pause) Those opposed say ‘No’.”

Aye vote: “The ‘Ayes’ have it by a two-thirds vote, and the motion to limit debate to (twenty minutes) is carried. Discussion is now on the (original motion, amendment, or etc.).”

No vote: “The ‘Noes’ have it by more than a one-third vote and the motion to limit debate is lost. Is there any discussion on the (original motion, amendment or etc.)?”

X. To Postpone to Certain Day: A motion to simply postpone discussion on a vote on an item of business. A motion to postpone must specify a tune and day.

XI. To Refer (or Recommit):

Member: “Mr./Madam President” (Pause for recognition) “I move that we refer this question (or resolution) to (state the committee or person to which it is being referred).”

Revised October 2019
To Amend the Motion to Refer:

Member: “Mr./Madam President” (Pause for Recognition) “I move that we amend the motion to refer by (adding the words) (state the words to be changed).”

President: “It is moved and seconded that we amend the motion to refer by (state the amendment) so that the motion to refer if amended, will read that we (state the motion to refer as it would be changed by the amendment). Is there any discussion on the amendment to the motion to refer?”

PUT TO VOTE: “The vote is on the amendment to the motion to refer which reads (state the amendment to the motion to refer). Those in favor of the amendment to the motion to refer say ‘Aye’. (Pause) Those opposed say ‘No’.”

Aye vote: The ‘Ayes’ have it, and the amendment to the motion to refer is carried. The next business is the motion to refer as amended which reads that we (state motion to refer as amended). Is there any discussion on the motion to refer as amended?”

No vote: “The ‘Noes’ have it and the amendment to the motion to refer is lost. Is there any discussion on the original motion to refer?”

Amendment to the Amendment

Member: “Mr./Madam President” (Pause for recognition) “I move that we amend the amendment by (adding, striking out, inserting) the word(s) ____________________________

President: “It is moved and seconded that we amend the amendment by (state the amendment to the amendment), so that the amendment, if amended, will read that we (state the amendment as it would be changed by the amendment). Is there any discussion on the amendment to the amendment?”

PUT TO VOTE: “The vote is on the amendment to the amendment that we (state the amendment). Those in favor of the amendment say ‘Aye’. (Pause) Those opposed say ‘No’.”

Aye vote: “The ‘Ayes’ have it, and the amendment to the amendment is carried. The next business is the amendment as amended which reads that we (state amendment as amended). Is there any discussion on the amendment as amended?”

No vote: “The ‘Noes’ have it and the amendment to the amendment is lost. Is there any further discussion on the original amendment.”
XIII. To Reconsider: To reconsider permits the body to review again a previous item of business. Special rules apply to this motion:

A.1. Must be moved by one who voted with the prevailing side (unless vote was by ballot).

Member: “Mr./Madam President” (Pause for recognition) “I move that we reconsider the vote on the motion (state the motion).”

President: “It is moved and seconded that we reconsider the vote on the motion (state the motion). (If debatable) Is there any discussion on the motion to reconsider?”

PUT TO VOTE: “The vote is on the motion to reconsider the vote on the motion (state the motion to be reconsidered). Those in favor of the motion to reconsider say ‘Aye’. (Pause) Those opposed say ‘No’.”

XIV. To Rescind (or Repeal): To rescind is to reverse the previous action or to withdraw approval of an item of business.
